Nothing has been left undone to be prepared for the opening of the farmers short course here Monday. The first sessions will be held in the afternoon at one-thirty o'clock. The program for women will be given in the court house assembly room and the men's program will all take place in the auditorium of the Graham Annex school building Monday afternoon.

However, on Tuesday and Wednesday, when, during some hours of the day, at least five different sectional meetings will be in progress, the sessions for men will be held in various rooms in the court house, the Phi Delta fraternity hall at the corner of Morgan and Third streets, the north half of the Carr barn which has been fitted up for a garage and the Graham Annex.

Persons who contemplate attending the course should procure a program at some one of Rushville's stores or from the township vice-president and determine what sections they care to attend. The programs explain where each session takes place.

The Purdue instructors will come from Liberty, where a school for farmers just like the one here, has

HAD A PREMATURE SCARE

Milroy Friday Night Had Visions
of More Burglaries

Milroy had a premature burglar scare Friday night. Since the wholesale raid on several places of business two weeks ago, Milroy people have been very suspicious and have been watching for further attempts of the sort. Last night a light was seen in the Big Four station by a Milroy business man. He organized a band of men and approached the depot, but learned that the Big Four agent had given a man, his wife and baby the privilege to spend the night in the station.

CORN SHOW BRINGS OUT MANY ENTRIES

Over 350 Ears of Corn Competing
and Many Others Are Entered
During the Afternoon.

ABOUT 500 EARS EXPECTED

Indications this afternoon were that close to five hundred ears of corn would be entered in the corn show for Rush county farmers at the sheriff's office in the court house. At a few minutes after one o'clock, there were three hundred and fifty ears in the contest and more was coming in all the time. R. G. Budd, who is in charge of the show, said it was one of the best he had ever seen.

Shortly after one o'clock, there were nineteen entries in the class for the best ten ears of yellow corn, seven entries in that for the best ten ears of white corn, fourteen entries in that for the best ear of yellow corn and eight for the best ear of white corn.

In addition to these classes, in which \$35 in cash and an equal amount in merchandise is offered, a grand prize of 500 pounds of corn fertilizer for the best ten ears of corn, either white or yellow, is offered by A. B. Norris.

SMALL FIRE AT KELLY HOME.

A defective flue at the home of Edward Kelley in West First street caused a small fire loss this morning at eleven o'clock. The flue had been boarded up on one side and these boards caught on fire. A bed, which was more valuable as a relic than anything else was practically ruined and some bed clothing burned. The fire was extinguished by a bucket brigade before the fire department arrived.

JANUARY IS A FICKLE MONTH

Records For 35 Years of County
Weather Observer Reveal Warm
Weather May be Expected

NO EXCEPTION TO RULE NOW

During January, 1906 There Was a
Mean Average Temperature For
Three Days of 57.5

Persons who thought this warm weather for this season of the year, need only to consult the records for the last thirty-five years of Elwood Kirkwood, of Mauzy, voluntary meteorological observer of the United States government. These records show that in January, 1914, there were three days when the mean average temperature was never below fifty-three degrees.

Rush county has enjoyed spring-like weather for several days this week, with maximum temperatures ranging around sixty degrees. But the prediction today is that fair and colder weather may be expected by tonight or Sunday.

January has its fickle moments, according to the records for the period. On January 27, 1914 the maximum temperature was 63 and the minimum 43, making a mean average of 53 for the 24 hours. On the following day the maximum was 66, the minimum 43 and the mean average 54.5. The next day, the 29th., the maximum was 68, the minimum 42 and the average 55.

The month of January, 1906, holds the record, however. On January 21 of that year the record of the period was attained when the temperature was 33.5 degrees above the daily normal for that day during the period and 46 degrees above the monthly normal. The mean for the three days, January 20, 21, and 22, 1906 was 57.5 degrees or 32.5 degrees above the normal for January in thirty-five years.

During January, 1914, the maximum temperature was 46 degrees above the monthly normal. The mean temperature for the three days mentioned was 54.8 degrees, which was 29.8 above the January normal. January 21, 1916, which was yesterday, did not do so bad because the maximum was 63 degrees and the minimum 42, making a mean average of 52.5.

But the record of 1906 has never been approached. Seldom does a January pass without some extremely warm weather. On January 22, 1887 the maximum was 60 degrees, the minimum 37 and the mean average 48.5.

Some other warm January days records gleaned from the weather observer's records as follows: the 11th., 1890, maximum, 52 mean, 58.5; 3rd., 1897, maximum, 60; minimum 51; mean, 55.5; 12th., 1898, maximum, 63; minimum, 41; mean, 52; 24th., 1900, maximum, 60; minimum, 34; mean, 47; 29th., 1903, maximum, 61; minimum, 45; mean, 53; 19th., 1907, maximum, 67; minimum, 42; mean, 54.5.

The records also show that much rainfall may be expected in January. January, 1890 was a very wet month. There was rain on seventeen days, during which time 8.05 inches fell, causing the fall to be 4.69 inches above the January normal for the period. There was rain on eighteen days of January, 1907 and a fall of 8.05 inches for the month. The largest daily rainfall for the period was during January, 1907, when 2.55 inches fell.

Body of Twenty-Fourth American
Murdered in Mexico in Two
Weeks is Recovered Today.

RANCHMAN SEEKS CATTLE

Companion of Victim Asserts Assassins Wore Carranza Uniforms
—Two Men Arrested.

(By United Press.)

El Paso, Texas, Jan. 22.—The body of the twenty-fourth American murdered in Mexico in the last two weeks was brought here today. It was the corpse of Bert L. Akers, a ranchman, who crossed the border into Mexico near Yaleta last night to catch some cattle, bandits rustled from his property.

Two Mexicans, who took part in the killing of Akers only seventeen miles south of El Paso, are under arrest in Juarez. They claimed self defense.

With Douglas Lawrence, another American, Akers reached the little village of Lorenzo, Mexico. Akers saw his cattle back of a Mexican house.

Several Mexicans, all armed with rifles, immediately opened fire on the Americans.

Akers was instantly killed, shot in the back. Lawrence, mounted, fled for the American border. His horse was nipped by bullets twice but continued.

On arriving in El Paso today Lawrence told the story to officials, insisting that several of the Mexicans wore Carranza uniforms.

Ahead of the protest formally lodged by American officials, Carranza officials obtained the prisoner's statement and assured the El Paso officials, if found guilty, the murderers would be punished.

Francisco Villa, with a band of 400 men, is encamped twelve miles mouth of Madero, according to official reports received today. Fear was felt for the safety of a large American Mormon colony near Casas Grandes.

Governor General of Chihuahua Explains How False Report of
Capture Started.

ANNOUNCEMENT PREMATURE

(By United Press.)

El Paso, Texas, Jan. 22.—Francisco Villa was reported surrounded by Carranzista troops in the mountains of Chihuahua today.

This report by General Cavases who commands the three columns hemming in the bandit's chief was made to General Herrera at Chihuahua resulted in the premature announcement that Villa was a prisoner.

Governor General Enriquez of Chihuahua, on official business in Juarez, gave this explanation of the reported capture while pointing out that the outlaw bandit probably could hold out in his mountain hiding place indefinitely.

Enriquez said that Villa even took a third wife and that his followers have women in their party.

ROSANNA CRAWFORD DIES

Widow of Late Treslie Crawford Expires at Son's Home.

Mrs. Rosanna Crawford, 83 years old, died last night at eleven o'clock at the home of her son, Will Crawford in Milroy, after a long illness from a complication of diseases. Mrs. Crawford had been in a critical condition for some time and death was expected. She was the widow of Treslie Crawford. Besides Will, she is survived by two other children, Mrs. George Power, south of Milroy, and Robert Crawford of Iowa. The funeral arrangements have not been completed.

FINAL SETTLEMENT IS IN SIGHT TODAY

Controversies Over Sinking of Lusitania, Ancona and Persia May
Terminate Soon.

FINAL NOTES ARE DRAFTED

(By United Press.)

Washington, Jan. 22.—The final of American controversies with both Austria and Germany over submarine warfare apparently was approaching today. The three principal incident growing out of the sinking of the liners Lusitania, Ancona and Persia were on the verge of final settlement.

From Berlin through United Press dispatches came the first authentic news that Germany's final note on the Lusitania case was being drafted.

From Vienna came word that Ambassador Penfield has been given a note assuring the United States that no Austrian submarine had sunk the Persia.

IMMENSE CROWD HEARS P. J. LYNCH

Republican Committeemen, Candidates and Workers Get Acquainted With Primary Law.

ABOUT AS CLEAR AS MUD NOW

The Republican precinct committeemen, candidates and party workers heard the primary law explained this afternoon by P. J. Lynch, district chairman. The meeting was held at Republican headquarters and was attended by a crowd that packed the hall to the door. Mr. Lynch admitted at the start of his address that he did not know very much about the law, just as the Democrats who passed it, and that the supreme court decision had made it as clear as mud.

The various phases were discussed, including the right of a voter to take part in the primary in case he had lived in the precinct only a short time. The position is taken that if a voter states he will be a resident of the precinct at the time of the general election he is entitled to take part in the primary.

DENNING APPOINTED.

At a meeting of the board of commissioners today Albert Denning was appointed ditch commissioner to succeed Rush G. Budd. The commissioners also approved the bonds of the assistant road superintendents.

ASSISTANTS TO GREEN NAMED

New County Highway Superintendent Announces Men Who Will
be His Helpers in Road Work

MILEAGE FOR EACH GIVEN

Supt. Green Will be at His Office in
Court House Every Saturday—
Road Mileage 297.58.

County Highway Superintendent Hal Green today announced the names of his assistants and at a meeting of the commissioners this afternoon the bonds of the men were approved. The new assistant road superintendents will start work Monday. The bonds of the assistants are \$1,000 and the auditor's office was kept busy this morning receiving the bonds. In every instance a personal bond was given.

It was originally planned to let the old road assistants serve until the meeting of the commissioners at the February term, but so many of these men wanted to be released that Mr. Green decided to make his appointments and start work. The appointments are as follows:

- District No. 1.—Jacob Clifton, Union township, 17.56 miles.
- District No. 2.—Linnea Hayes, Washington township, 25.5 miles.
- District No. 3.—Harvey Newhouse, Center township, 22.25 miles.
- District No. 4.—John Stoten, Center township, 23.99 miles.
- District No. 5.—John Dire, Ripley township, 21.75 miles.
- District No. 6.—Hal W. Green, Jackson township, 23.5 miles.
- District No. 7.—Willard Tribby, Posey township, 20.81 miles.
- District No. 8.—Charles Carney, Noble township, 24.93 miles.
- District No. 9.—Jesse Havens, Rushville township, 21.25 miles.
- District No. 10.—Arnold Mull, Walker township, 23.75 miles.
- District No. 11.—Lloyd Wagoner, Orange township, 16.78 miles.
- District No. 12.—Lon Kerriek, Rushville township, 31.49 miles.
- District No. 13.—U. S. Maffett, township, 23.82 miles.

County Superintendent Green announced that he will be at his office in the court house every Saturday to transact business coming to his attention. The county has been divided into thirteen districts and Mr. Green will personally attend to one of these districts. The total mileage of the roads in the county is given at 297.58.

Mourning for Dead Mate, Last of Aged Team Pined Away

For more than twenty years, a team of aged horses named Bill and Roger, owned by John E. Meredith, the transfer man, had been worked together. They occupied adjoining stalls and neither would scarcely eat if the other was away. Bill positively refused to work with any other horse without serious objection, almost becoming vicious at times when a change was necessary. Although very partial to his devoted mate, Roger was less demonstrative in his dislikes and made no serious objections when he was mated with another, good service, whatever the conditions, seeming to be his motto. Being well matched in size and strength, always reliable and so fond

of each other, Roger and Bill were much together and were called the old "standbys" of the transfer line. About three weeks ago Roger suddenly sickened and died of lockjaw. His aged mate, lost without him, immediately began to fail, refusing to eat and to be comforted. In spite of the best possible attention, poor, disconsolate old Bill's decline continued until yesterday when he, too, passed away, the only apparent cause being grief for his faithful friend.

Old Roger was among the last of the noted Roger Hanson breed in this county and was twenty-nine years old. Bill was thirty. Although aged, they were highly prized by their owner.

WHAT'S THE USE?

What's the use of advertising that we have the purest drugs? You know this—your doctor knows it—everybody knows no modern, honest conscientious druggist would buy less than the best drugs in the first place. ¶ What's the use in advertising that we deliver promptly. Try us once—any order, large or small—and see how quickly and willing we deliver your goods. ¶ As an up-to-date, modern, complete drug store, we could advertise in a more convincing way than half the drug stores of the state, but what's the use. Why not test us, test our quality, our methods, our service and know the satisfaction so many others enjoy. We're here, ready to serve, ready to give you the most personal attention, so that you will entertain friendliness for us and come again freely. No drug store in the country can or will serve you more to your satisfaction than we.

ADVICE ON ECONOMY

Cleveland, O., Jan. 22.—"If every family saved one match a day, the United States would be ahead \$500,000 a year," today said F. D. Conner, president of one of the biggest financial institutions here. Conner believes every housewife should be paid a weekly wage to prevent family squabbles; and that every wife should prevent food waste. He claims fortunes in food are thrown into garbage cans. The banker believes bills should be paid by check and a stipulated amount saved weekly.

NO DECISION YET IN DIVORCE CASE

Judge Hears Last Evidence in Divorce Suit of Della Cassidy Against Woodford Cassidy.

TAKES IT UNDER ADVISEMENT

Special Verdict of Six Names Drawn in Road Case of W. A. Alexander vs. W. F. Harton et al.

Judge Springer took Cassidy divorce suit under advisement at the conclusion of the testimony and argument this morning and indicated that he would make public his finding either Monday or Tuesday. The case was expected to be completed yesterday but took longer than was expected and as a result several witnesses were introduced this morning.

The case proved one of the hardest fought divorce actions tried here in several years, as the feeling on both sides was especially bitter. A large part of the evidence was of such a character as to be repulsive.

A motion was filed this morning in the criminal suit of the state against Charles and Harry Robbins to require the prosecuting attorney to file with the clerk of the court a list of all checks upon which the state will rely as showing the probable guilt of the defendant. The men are charged in a grand jury indictment with grand larceny and embezzlement. No action was taken on the motion.

A special venire of six names were drawn for jury service in the road case of William A. Alexander against William F. Harton, et al., which is set for trial next Thursday. The special venire is composed of the following men: D. C. Buell, Rushville; Thomas H. Lower, Rushville; Theodore Holden, Noble; L. H. Wilson, Noble; J. L. Hayes, Washington and Peter Krauss, Center township. The case involves a petition for a highway and was taken to the circuit court on an appeal from the commissioner's court.

Alberta M. Walker filed a motion for a change of venue in her replevin suit against Voorhees Cavitt, Sheriff of Rush county. The motion was granted but the county where the case will be tried has not been named.

TODAY'S HOOSIER ODDITY

Hartford City, Ind., Jan. 22.—If you have a pet cat, take warning. Mrs. Clem Blakely lost her pet in a rather peculiar way. In search of a good warm place to sleep one night, her cat crawled into the oven of the kitchen stove. Mrs. Blakely closed the door of the oven when she came down in the morning without seeing pussy inside and proceeded to build a hot fire. Investigation of a peculiar odor disclosed the remains of the cat in the oven.

DISAGREE OVER THE WALSH REPORT

Capital and Labor Fuss About Finding of Federal Commission of Industrial Relations.

ARGUE FOR AND AGAINST

(By United Press.)

Washington, Jan. 22.—Issue No. 1 on the program for congressional legislation of the American Federation of Labor and other labor interests, is a resolution for the printing of the reports and testimony of the Federal Commission on Industrial Relations. The report is not popular with some people. It points a picture of industrial exploitation and injustice to workers which many employers say isn't true. They say Chairman Frank P. Walsh used the \$450,000 appropriated for the securing of these facts, for prosecuting "the men who built up the country."

Labor declares the report furnishes the only fair record of the exploitation it has suffered. The report has been much sought. Thousands of letters and telegrams have reached congressmen asking for copies. The available supply was exhausted months ago.

TODAY'S ODDEST STORY

St. James, Minn., Jan. 22.—Because so large a percentage of the population here is railroad men who work all sorts of unusual hours, H. A. Nelson has established a midnight movie matinee at which the railroad men usher, take tickets and play the piano.

12 MILLION APPROPRIATED

(By United Press.)
Washington, Jan. 22.—The house Friday afternoon passed the 12-million dollar urgent deficiency bill including an emergency appropriation of \$2,000,000, for the Alaska railroad and \$300,000, for a fight against citrus canker.

NOT MANY GO TO GERMANY

(By United Press.)
Berlin, Jan. 22.—Nearly 100,000 strangers came to Berlin in November, declare official reports. Of this number 4,385 came from foreign lands but only 89 from America. The number of visitors was exactly 96,056 compared with 71,271 a year ago. The foreigners coming from Russia, numbered 256; Austria-Hungary, 1,556; England, 3; Sweden, 706; Norway, 198; Denmark, 492; Belgium, 23; Holland, 450; the Balkans, 168; Switzerland, 328; Asia, 6; and Africa, 11.

WATSON SPEAKS AT EVANSVILLE

Republican Stage Rally When Republican Candidate For United States Senator Comes.

DENOUNCES WILSON POLICY

Evansville, Ind., Jan. 22.—James E. Watson, candidate for the Republican nomination for United States senator, at a rally held in a local theater last night engaged in a sweeping criticism of the administration policy in Europe and Mexico and declared "watchful waiting" not a policy, but the absence of policy. He laid particular stress on the maintenance of the rights of neutral commerce on the high seas. He declared for a protective tariff, a tariff commission and an American merchant marine.

Watson denied tonight a report reaching this city from Mt Vernon, in which it was said Mr. Watson had promised L. B. Holleman the appointment as United States marshal in case Watson is elected to the United States Senate. Mr. Watson denied that he had made any promise of any kind to Holleman or had directly or indirectly promised the marshalship or any other position.

A LEAP YEAR CLUB

Cleveland, Jan. 22.—A 1916 Leap Year Club has been formed by eight pretty girls here, headed by Miss Blanche Taylor of Lakewood a fashionable suburb. The avowed purpose of the club is for each member to propose to the man of her choice during the year, and not to accept any similar proposal when offered by a suitor. "I do not see anything unusual about a girl choosing her husband," Miss Taylor said. Miss Helen Mally, another member, said: "A woman could propose just as gracefully and sweetly as she could accept. I think she ought to if she really loves a man."

INVENTING HIGH EXPLOSIVE

(By United Press.)
Berkeley, Cal., Jan. 22.—
Though she abhors war, pretty Beatrice Rudawsky, University of California graduate who looks the artist more than the scientist, is experimenting with a deadly explosive which she says will be more powerful than the most effective explosive now in existence.
"Explosives," she says, "are as valuable to peaceful pursuits as to war. If my experiments are successful, I should like to think of them as a step in science, rather than as a means of killing more men."

Make it Pay-up Week

There have been Mother's Day, Father's Day, Electricity Week, Dress-up Week, Clean-up Week, Second Cousins Day, and now the Columbus Republican has suggested Warm-up Week, but now it remains for a wholly new and heretofore unsuggested special occasion to bob up. This time it is Pay-up Week. The Powers that be have decreed that it shall be celebrated the week of

February 21 to 26. The idea originated with the merchants' trade journal at Des Moines, Iowa, and has spread like wildfire to all parts of the country. It will probably be the most genuinely celebrated week of any yet started. Posters and general announcements of the plan have been sent broadcast and some of them have been received here.

The plan is have every man and every woman pay up what they owe during the week of February 21. If the debtor can not pay all, why then, a part of the bill will be acceptable.

There are plenty of people who could pay their debts if they just made up their minds to do so. They think of a little bill and another one there and a third one somewhere else. And then they believe that there is no real virtue in doing today what can be put off until tomorrow, little realizing that tomorrow never comes. The bills run on and they use their money for something else. Many times they never know that complete satisfaction that comes to a man who can look every other man in the face and say that he does not owe anybody a red cent.

So an effort is to be made throughout the country to have all bills paid during the time mentioned. If the doctor has been coming for a year or so without getting anything for his services, it will be a good time to pay him what is due. It doubtless will be a pleasant surprise for him. If there is a balance owing on the grocery bill, the meat bill, the coal bill, the dry goods bill, the shoe bill, the board bill or any other bill, the idea is to pay it then. Maybe the grocer owes the coal dealer and if you pay the grocer he can pay the coal dealer, and that will enable the coal dealer to pay some one else and if that somebody else owes you, maybe, he will pay you, and thus you will get your money back again.

Of course, it is not necessary to wait until February 21 to pay bills. There is no time like the present for such a duty as that. But if it is not possible now, those in charge of the movement hope that all people will bend every possible effort toward paying up during the time specified.

It is no surprise to learn that Senator Stone of Missouri, Chairman of the Senate Committee on Foreign Relations, counselled against the use of harsh language in the notes to Austria. "Gumshoe Bill," as he is known, familiarly if not affectionately, in his home state, has never been noted for aggressiveness. In the present instance four of his Democratic colleagues on the Committee stand with him in believing that the Wilson policy of harsh words—and nothing else—is a futile and foolish method to be applied to our foreign affairs.

The State Department explains that Col. House has gone to Europe to "give a personal touch to the relations between the State Department and its Ambassadors." This is the correct language, all right; but it is misapplied. The Colonel will give "a personal touch" to the Treasury, which is to pay his expenses.

The American Psychological Association has just held its annual session. It missed a great opportunity in not having President Wilson address the delegates on the condition of the national Treasury, which is, of course, purely psychological.

"Charity covers a multitude of poor people with our second hand and worn out garments," warbles a society dame of national reputation. Too bad it can not extend to covering the nakedness prevalent in many high society circles.

If Senator Weeks pushes through his bill for an army of a million men, with five acres of free land for each enlistment, we are ready to enlist in every recruiting office in the country. Some patriotism that!

Some newspapers have published the recipe from which President Wilson's birthday cake was made. It sounded good. But so far as 1916 is concerned we can say that Wilson's cake is dough.

"United States Prepared to Act to Stop Killings at Sea," reads a scare head in a daily paper. But who is going to do it, and how are we going to do it, and what are we going to do it with?

When a dashing young man begins

to tell her of his castles in Spain it generally ends in cooking three meals a day, scrubbing the kitchen floor and making over her last year's dresses.

Those Democrats who talk of "rewarding" Brand Whitlock's services at Brussels by naming him as Wilson's running mate for 1916 have a queer idea of what constitutes a reward.

Ever notice it, old top? Whenever a fellow sits down suddenly on a slippery piece of ice about the only one who doesn't laugh is the gent who does the cussing.

From the standpoint of posterity it is interesting to note that the new lady of the White House is a suffragette while the president is an anti. To be continued.

It is rumored that our confirmed old bachelors have formed a defensive alliance, and that the answer this year will be "too young to wed."

Our dimpling maidens who prance around with a black splotch sticking on their face should add another dab of mud in honor of Leap Year.

"I only play cards for fun," is the excuse he gives his wife. Of course. That's all the loser ever gets out of it.

Those golden locks Belinda wears will gag you just as quickly as any other hair when fished out of the soup.

Has "Watchful Waiting" Exhausted the Nation's Patience?

The temper of the American people which has been sorely tried by the continuous indignities and murders in Mexico has risen to white heat at the latest outrage resulting in the slaughter of nearly a score of peaceful and unarmed American citizens by Mexican bandits at Santa Ysabel on January 10th.

In the United States Senate stormy speeches attacking the President's policy in Mexico have been uttered by Senators who have not heretofore been noted for belligerent utterances.

Newspapers throughout the country, both Republican and Democratic, have made an emphatic demand for the safety of Americans in Mexico, even at the price of armed intervention.

What Do the People Want?

In THE LITERARY DIGEST for January 22d the leading article gives a complete survey of the Mexican situation and presents the gist of public opinion from every angle as printed in the newspaper press. At no time since the troubles in Mexico began has the outlook, as it concerns the American people, assumed so grave a character as at the present time. Thoughtful Americans, whatever their politics, will read this number of "The Digest" carefully, because from it they will secure an unbiased view of public feeling.

FACTS---FACTS---FACTS

You Americans who know how to weigh the merits of a case and pass intelligent judgment—THE LITERARY DIGEST is for you. Here is a magazine that recognizes your ability to decide for yourself—whose editors offer you no biased opinions of their own—a source of all-sided information which will enable you to use your own power of decision. Every week the Press of the world is scoured for all the relating factors and opinions so that The Digest can present every subject from every angle. There is no personal "Pro" sentiment in its pages. The man will be disappointed who looks for partizanship slant in its editorial policy. This magazine is for him who asks for the facts and then decides for himself. Buy The Digest this week and see.

HOOSIER HISTORY

(Prepared for the United Press by the Centennial Department of the Indiana Historical Commission.)

PROMPT RETURNS

"Reports of the proceedings at the night meetings of the conspirators were often in Morton's hand on the morning of the following day. On one occasion the Governor was visited at the State House by a judge of Indianapolis who had repeatedly assured him that no such association as the Sons of Liberty existed. He now said, 'No one would insult me by asking me to belong to it, but I could not help knowing that it existed.' Morton opened a drawer of his desk, took out a file of papers and proceeded to read a stenographer's report of a meeting of the order held the evening before, at which a speech had been delivered by his visitor in which the Governor was bitterly denounced. The old man sank into a chair and became pale as death. Without a word, he tottered, rather than walked, out of the room,"—Foulke.

The Chicago Coup D'Etat

Though the arch conspirators had acquiesced in giving up the uprising set for August 16, to them it was merely a postponement. One of them met Confederate officers at the State House in Indianapolis. The scene of projected activities had been shifted to Chicago when the uprising was to take place on August 29. The confederate officers were on their way there to take charge of the prisoners to be released on that occasion.

First Dose Ends Indigestion, Heartburn, or Gas on Stomach

First Dose Ends Indigestion, Heartburn, or Gas on Stomach

The question as to how long you are going to continue a sufferer from indigestion, dyspepsia or out-of-order stomach is merely a matter of how soon you begin taking Tonline Tabs.

People with weak stomachs should take Tonline Tablets, occasionally, and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour risings, gas on stomach, or belching of undigested food, headaches, dizziness or sick stomach; and besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour, out-of-order stomach and dyspepsia are generally relieved five minutes after taking Tonline Tablets.

Go to your druggist and get a \$1. box of Tonline Tablets and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know there are not going to be any more bad nights and miserable days for you. Tonline tabs freshen you and make you feel like life is worth living. For sale by Hargrove and Mullin.

Society and Club News

Edited by MISS FRANCES FRAZEE

Any items concerning your clubs, church organizations, entertainments, your friends or yourself, which you may send in, will be appreciated by the editor and readers of this column. Either mail or phone them to 1111, 3 rings, as soon as possible after their occurrence.

The members of the Tri Kappa sorority will be entertained on Monday evening by Mrs. Walter Capp.

The Elite Club will be entertained on Monday by Mrs. Claude Cambern at her home in North Main street.

A pleasant card series was enjoyed at the home of Mrs. J. C. Sexton this afternoon when she entertained the members of the Saturday Afternoon Club at her home in North Main street.

Mr. and Mrs. Fred Lightfoot will entertain at dinner Sunday at their home near Raleigh, Mr. and Mrs. William Mathew, Mr. and Mrs. C. L. Smullen and Mr. and Mrs. Edson Aiken.

A treat is in store for the Monday Circle on Monday, when Mrs. Demarecus Brown will give her lecture on "A Pilgrimage to Athens." The meeting will be with Mrs. Ralph Payne at her home in North Harrison street.

FAMILY DINNER.

A delightful family dinner was the one given by Mr. and Mrs. Ned Abercrombie at their beautiful home in North Main street last evening. The elaborate three course dinner was beautifully appointed. A pleasant social evening followed the dinner, which was enjoyed by Mr. and Mrs. Guy Abercrombie and daughter, Laurett, Mr. and Mrs. John Abercrombie, Theodore Abercrombie and Mrs. Minnie Abercrombie.

CATHOLIC AID SOCIETY.

With Mrs. Robert Williamson and Mrs. Osborne as hostesses, the Ladies Aid Society of the Catholic church had a meeting at the home of the former on Thursday afternoon. The meeting was one of unusual interest and profit. Following an important business session, the ladies enjoyed a social hour.

There will be a Farmers' Institute at Falmouth Monday, Fred Knotts is president of the association.

INFORMAL PARTY.

Mr. and Mrs. Charles Winship entertained several of their friends with a pleasant and informal party at their hospitable home near the city Thursday evening. Games and music helped to make the evening a social and enjoyable one, at the close of which delightful refreshments were served by the host and hostess. Those enjoying the hospitality of Mr. and Mrs. Winship were Mr. and Mrs. Will Trennepohl, Mr. and Mrs. Bert Davidson, Mr. and Mrs. Will Havens, Mr. and Mrs. George Camp, and Mrs. Ethel Harrell.

AUCTION BRIDGE.

The usual game of Bridge was exceptionally interesting to the lively players of the Auction Bridge Club when they were so charmingly entertained by Mrs. Roy Harold and Mrs. Francis Moor, at the home of the former yesterday afternoon. So capability never lagged during the pleasant hours of the afternoon. A delicious luncheon was served at the card tables, following the card series, which brought to a close one of the merriest club meetings of the year. Every member was present, two tables of players participating.

K. OF C. DANCE.

Invitations were received today for the annual Knights of Columbus dance which will be given in the Phi Delta Theta hall on Friday evening, January 28. It promises to be the best of the annuals ever held, this being the thirtieth. The members of the local lodge are working hard on the affair and from all indications, a large crowd will be present to appreciate their efforts. Guests from Richmond, Greensburg, Con-

nersville, Brookville, and Shelbyville are expected. Mitchell's orchestra, with two cabaret singers, will furnish the music.

JUNIOR LEAGUE

A Junior League was organized in the Methodist church at a meeting Thursday afternoon. The regular meetings will be held weekly on Thursday afternoon at four o'clock, when all children in the church under the age of sixteen are invited and urged to attend. With Mrs. Esther McCloud as superintendent, the following officers were elected; president, Mildred Look; secretary, George Bennett; treasurer, Forrest Wolverton; 1st. vice-president, Leona Rankin; 2nd. vice-president, Josephine Scholl; 3rd. vice-president, Jean Sparks; and 4th. vice-president, Ray Sample.

THIMBLE CLUB.

A pleasant afternoon was spent by the members of the Thimble Club when they were delightfully entertained by Mrs. Harrie Jones at her home in North Harrison street yesterday. The ladies, with their needlework and chatting, enjoyed the hours that were pleasantly whiled away. Near the close of the afternoon, they were invited to the dining room where the table was made beautiful with a color scheme of red and white. The bouquet of red carnations was tastefully arranged with graceful greenery. The last course of the delectable lunch also carried out the color scheme with the luscious fresh strawberries and ice-cream.

PENNY SUPPER.

Wise heads, generous hearts, and culinary art, were all displayed at the Penny Supper given by the Loyal Daughters of the Christian church last evening. When a delicious chicken dinner with all the "trimmings" "can be bought for twenty-one or seventeen cents, these qualities are necessarily exercised. Over two hundred people enjoyed supper last evening, which was inexhaustive in its menu and quantity, and despite the fact that everyone received a bargain in their supper, fifty-three dollars was the sum realized as a result of the affair. A pleasant social time was also enjoyed, several congenial crowds having formed parties to attend.

EMBROIDERY CLUB.

Mrs. M. B. Wright was the gracious hostess to the members of the Friday Afternoon Embroidery Club, when they were pleasantly entertained at her home in Glenwood yesterday afternoon. Nearly all the members were present to enjoy the delightfully informal afternoon, the diversions of which were needlework and interesting chat. After a few hours were merrily whiled away, the hostess served a dainty luncheon, including sandwiches, saratoga chips, pickles and coffee.

TRI KAPPA.

The progressive party which the members of the Tri Kappa enjoyed last evening was as enjoyable as it was original. After a short social meeting at the home of Mrs. Earl Moore, in North Harrison street, the members went in a body to the Penny Supper, at the Christian church, where the congenial crowd sat together, to partake of the supper. A theatre party followed this and the closing feature of the round of pleasure was a visit to the confectionary. The members of the sorority who took part were the Misses Hannah Morris, Clarine Amos, Esther and Helen Black, Edith Buell, Nell Baldwin, and Mrs. Will Norris, Mrs. Jack Knecht, Mrs. Earl Moore, Mrs. C. J. Tucker, and Mrs. Hubert Innis.

FLATROCK COUNTRY CLUB.

The Flatrock Country Club had an unusually pleasant meeting with Mr. and Mrs. Noah Tryon on Thursday evening. The pitch-in supper was delicious, each guest having added his or her help, in the preparation. Several games of cards, and musical numbers furnished by the guests made the hours following the supper, lively ones. Those participating in this delightful evening were Mr. and Mrs. Harve Brown, Mr. and Mrs. Birney Piper and daughter, Pauline, the Misses Georgia Raw-

lings, Grace Kiplinger, Clara Archey, Clystie Butterfield, of Ross, Ohio, and Virgil Maffett and Leland Butterfield of Ross, Ohio.

The above were guests of the club whose members are Mr. and Mrs. Wilbur Brown and daughter, Mr. and Mrs. Roth and son Frank, Mr. and Mrs. Chester Hall and son, Wayne, Mrs. Jane Biggs of Anderson, Mr. and Mrs. John Benning Mr. and Mrs. Wilbur Warner and children, Howard and Gladys, Mr. and Mrs. Alva Webb Mrs. Hattie Emmons and son Harold, and Miss Goldie Roam. Mr. and Mrs. Earl Harecourt, new members of the club, were taken in at the meeting Thursday evening.

NEW YORK FASHION NOTES

By MARGARET MASON
(Written for United Press.)

The owner of the Fashion Shop Is very low with gripe, The cashier has bronchitis, The buyer has a nip Of plain old influenza, while The salesgirl has the pip; The model's mighty busy with A very active nose And yet the window's full of hats Of straw, and Springtime clothes.

New York, Jan. 21.—You stand with your feet in the slush and snow and gaze at the flowery array of straw bonnets and cotton frocks in the gayly trimmed shop windows. You can almost smell the violets and the budding leaves and between sneezes you murmur hoarsely: "Spring is almost here." But alas! Spring is far distant and the misleading shop windows only show the spirit of preparedness on the part of the shop keepers. It is true that you glimpse a straw hat occasionally on an early head, but one straw doesn't make a springtime any more than one swallow makes a drink. The recent motor show called out many spring modes. One stunning model was done as to body, in a smart serge suit of ecator hue. A distinctly new top of absinthe green bamboo straw graced her head in form of a cloche turban appetizingly encircled with one apple, one lemon, one orange and a bunch of pearl grapes. Castor, by the way, is the newest color for spring. It vies with the suits of white serge for Southern wear and tops the new spring boots in chic rivalry with white. Pink and blue in combination is another favored spring color scheme that has crept from under surface popularity as lingerie tints, to surface wear in frocks and hats. Lovely muslins and cotton materials for one piece frocks are barred in pink or blue and sprigged in either forget-me-nots or rosebuds, distractingly. Gather ye roses while ye may and tuck 'em and ruffle 'em and smock 'em too and the result will be a duck of a dress, as quaint as an old fashioned picture. For we are still to be old fashioned this spring to be new fashioned, and the new spring silks as well as the cottons are quaintly colored and patterned in mid-Victorian manner. The spring hats continue to climb skyward even as their winter kin and high crowns and lofty arrangements of wings, bows and flowers distinguish them. Taffeta is a close rival of straw as a hat material and quaint little bonnet shaped or cloche hats of taffeta are trimmed in old fashioned ruffles of the same. Taffeta hats faced in straw and straw hats faced in taffeta adds variety; and two colored straws woven in check design in plain sailors or sung turban shapes are beginning a checkered career in these bleak months of wind and snow on which not even a checked straw hat can but a check.

CHAPTER WORK.

Rush Chapter, number 24, R. A. M. will have work in the P. M. and M. E. M. degrees Monday evening, beginning at 7:30. All companions are requested to be present.

MANY CANDIDATES

Anderson, Ind., Jan. 22.—Twenty aspirants for county offices have filed their notices with the county clerk by republicans and democrats. There will be a warm fight at the primary March 7. There is a noticeable absence of progressive aspirants up to date, which is taken to mean that this party will have no ticket in the field this year in Madison county.

TREASURER M'ADOO ASKS FOR \$20,000

Wants to Investigate Raw Materials Grown in United States For Coloring Purposes.

TO HELP LOCAL DYE USERS

(By United Press.)

Washington, Jan. 22.—For investigation and experiment in the utilization, for coloring purposes, of raw materials grown or produced in the United States, Congress has been asked by Secretary of the Treasury McAdoo to appropriate \$20,000. It is believed this amount expended by the Bureau of Chemistry will result in discoveries important to American dy users.

Investigations by the bureau will be continued during 1916. Among these are experiments relating to the application of chemistry to agriculture; investigations of the character of tests applied to American food products in foreign countries; investigations of present usage and best methods of preparing poultry and eggs for market; investigations of handling of fish and shell fish; development of new sources of food supply; investigations of the action of food and drug products on the human organism and the putting into effect of provisions of the pure food and drug act. The general expenses of the bureau are estimated at \$832,210 for 1917.

Those U-boats might well be called Do-boats, for they do about everything they run up against.

UP-TO-NOW IN DESIGN

Designs as shown by some firms are more or less freakish or fadish to attract the attention of the prospective customers with scarcely a thought of their wearing appearance or correctness in proportion. But then they are merely on paper and represent but a small loss if they don't take.

We have faith in our ability as rational designers and as proof we show at our works a most complete selection of ready to erect monuments designed by our nationally recognized designer, Mr. A. H. Schrichte. **J. B. SCHRICHTE SONS**

I, Gus E. Riley, the trustee of Orange Township, Indiana, do hereby certify that the preceding report of receipts, disbursements, balances and service account is true and correct, as I verily believe; and I further declare that the sums with which I am charged in this report are all of the sums received by me, and that the various items of expenditures credited have been fully paid in the sums stated, and without express or implied agreement that any portion thereof shall be retained by or repaid to me or any other person. And I further declare and swear, that I have received no money, nor article of value in consideration of any contract made by me as trustee of this township.

GUS E. RILEY,
Trustee of Orange Township.

This report was received and approved by the advisory board of this township at their annual meeting the 4th day of January, 1916

FRANKLIN P. WAGONER,
SOLOE E. TEVIS,

QUAKERS TOO FAST FOR RUSHVILLE LADS

Whirlwind Attack in Last Half of Basketball Game at Richmond Sweeps Locals off Feet.

FIRST HALF IS CLOSE ONE

After playing Richmond to a standstill in the first half, the Rushville team did not have the endurance to keep up the pace, and as a result lost the game played last night on the Richmond floor by a score of 51 to 22. Rushville started out like winners and gained an early lead by playing the Richmond team off its feet. Towards the close of the first half Richmond came to life and realized that there was a basketball game on. The half ended 26 to 15 in favor of Richmond.

The whirlwind attack of Richmond in the last half soon wore the local team down and then the Quakers proceeded to run up the score. The work of the Rushville guards was exceedingly good while Stoops made sixteen of the Rushville points. The summary and lineups:

Richmond (51)	Rushville (22)
Brown, Jessup	F. Stoops
Porter	F. Caron
Parker, Bollans	C. Martin
Pitts	G. Frazier
Meranda	G. Reed, Dye

Field goals—Stoops, 6; Caron, 1; Martin, 2; Brown, 6; Porter, 8; Parker, 3; Pitts, 6.

Foul goals—Stoops, 4; Brown, 1; Parker, 4.

Referee—Harrington.

LACK OF SNOW MAY SPOIL TOURNAMENT

Outlook For Ski Enthusiasts Not Bright as Weather Has Not Been Very Favorable

SCHEDULED FOR TOMORROW

(By United Press.)
Cary, Ill., Jan. 22.—The international ski tournament is scheduled for Cary tomorrow. The one thing that might spoil the tournament is a lack of snow, so feared the ski enthusiasts.

On account of lack of snow ski stars in this section of the middle west have not been given an opportunity for much practice.

Michael L. E. Johnson, secretary of the Norge Ski Club of Chicago, has not let the possibilities of "no snow" prevent him from continuing in his efforts to make the meet a winner.

For the benefit of the local sport enthusiasts who enjoy spectacular and sensational events, Jensen has obtained the services of some of the most daring jumpers in America. Among these are Ragnar Omtvedt and Anders Haugan. Omtvedt recently made a daring jump at a meet at Ironwood, Mich., a leap that has never been equaled by any jumper in the country. But since the Michigan affair was not a championship meet, Haugan, the national champion, holds the title. Jensen promised local riders a thrill when he stages his three men from Norway. They arrived in America six weeks ago; previous to that time they practiced in the mountains of their native country.

MORE MONEY FOR HIS FRIENDS.

Walter E. Smith has received another "shipment" of Villa money from Mexico and is passing it out to his friends. He obtained another \$1,000 worth of the money and the way he is passing it out would make Carnegie sick with envy. The money, while worthless is of particular interest at this time because Villa is being hunted in connection with the Santa Ysabel massacre.

Card of Thanks.

We desire to thank our friends and neighbors for their kindness shown us during the sickness and the death of our son, Clarence Russell Smith.

CHICAGO AUTO SHOW IS OPENED

Milady's 1916 Auto Frocks Are to be Trimmed in Last Years Trimmings Because of War

SHORTAGE OF MATERIALS

Cars to be More Luxurious And Less Gaudy, Declare Manufacturers Also Simple Lines

(By United Press.)

Chicago, Jan. 22.—Nineteen sixteen automobiles and milady's 1916 auto frocks are to be trimmed in last year's trimmings. Driving costumes need not be altered one whit, said representatives of more than one hundred makes of cars at Chicago Automobile show which started today at the Coliseum. A change in upholstering this season would make that part of the car cost from 150 to 500 per cent more than a year ago—due to the war, they said. Manufacturers therefore are using trimmings ordered a year ago and milady need not change her auto habit unless she so elects.

In women's cars tan, white and gray upholstering will predominate. In the heavier cars the usual black and buff trimmings will be most in evidence. The keynote in automobile making this season, say manufacturers, is simplicity and refinement. Cars are going to be more luxurious and less gaudy. "We had a great quantity of silver trimmings ordered for our electrics, and until our woman decorator came along and told us it was bad taste we thought we had something pretty nice," admitted a prominent Chicago auto maker today. "These silver trimmings went to the scrap heap. We have built our car along lines of simplicity and have done away with all gaudy trimmings."

TO RESTORE PALESTINE

Jews Gather in Chicago to Discuss Plans

(By United Press.)

Chicago, Jan. 22.—A thousand delegates from Jewish organizations throughout America are to gather in Chicago tomorrow to promote the Jewish plans for the development of Palestine and particularly, Jerusalem. They come to plan for an international congress of their race, which is expected to plan the restoration of Palestine to the Jews. Hundreds of thousands of dollars already have been pledged toward this and much already has been accomplished. Louis D. Brandeis, Boston lawyer, who has been prominent among the Zionists, declared that the American Congress of Jews is not indulging in an idle dream. "It is more than a possibility," he said.

MANILLA BROKE EVEN.

The Manilla basketball team split even last night, the Independents winning from the Fairview Independents, 40 and 24 and the high school team losing to the Falmouth high school 36 to 10. The Independent game is said to have been one of the best played this season at Manilla. The game was closer than the score would indicate. The Manilla high school team was handicapped in that only one of the regular players was able to be in the game.

SIX-MONTHS-OLD CHILD DIES.

Mildred Jeanette, the six-months old daughter of Mr. and Mrs. George Adams, colored, died Friday afternoon at their home in North Sexton street, following a short illness from a complication of diseases. The child was apparently better yesterday morning and a sudden change for the worse came about two o'clock. The funeral services will be conducted Sunday morning at ten o'clock at the late residence and burial will take place in East Hill cemetery.

been in progress since Thursday morning. Reports from Liberty say that good crowds were in attendance.

Season tickets selling at fifty cents each will admit the holder to any sectional meeting or any night meeting. Tickets are being sold by a vice-president in each township and at the drug stores and banks in Rushville.

The Purdue extension department ships a car load of prize stock here for the stock judging contests and dairy lectures, all of which will be held at the Carr barn in South Main streets. Raised seats have been erected in the Carr barn for the convenience of those who expect to take part in the stock judging contests.

The short course will close with a banquet in the Graham Annex school building gymnasium at six o'clock Wednesday evening. Miss Kate Dennis' domestic science class girls of the public school will serve the banquet and a program of music and speeches is being arranged.

In Loving Memory of Clarence Russell Smith.

Once more has the insatiate reaper garnered a sweet human blossom from a happy home. Another jewel has been withdrawn from its earthly treasure of love, another "low green tent whose curtains never outward swing" has been made ready for its occupant; another childish form has been draped and straightened for its final dreamless sleep: the laughing voice is stilled; the busy hands are folded; the sparkling eyes are closed; the loving little heart has ceased its pulsations, and the pure spirit has returned to God who gave it and nothing remains to those who loved him here but a precious memory of one not lost but gone before.

Clarence Russell Smith was born near New Salem, in Richland township, Rush county, Indiana, December 30, 1903. Fell asleep, safely sheltered in the Everlasting Arms of Him who said, "Suffer the children to come unto me, and forbid them not, for of such is the Kingdom of heaven," January 8, 1916, aged 12 years, 9 days.

He was the only son of Ross and Jessie McKay Smith and was one of a family of three children.

During his entire life his health was delicate, and many, many days his body was racked with pain, and his patient endurance of his suffering endeared him all the more to his earthly loved ones. He possessed a most lovable and affectionate disposition, so that every acquaintance was a friend. He often said he would be so glad to go and live with God in heaven and meet dear Grandma McKay whom he so dearly loved, and who departed this life three months ago.

Those who survive and mourn his loss today are his father and mother, two sisters, Ursula and Olive, grandparents, uncles and aunts, and dear little cousins whom it was always his joy to greet.

All earthly consolations fail in such times of heartache, and bereavement, but may they who mourn the loss of this dear little child turn to Him, who "healeth all our sorrows," and who alone can comfort in hours of spiritual anguish, and may they realize that their loss is his infinite gain, and mourn not as those who have no hope, believing that sometime when life's "sunset gates unbar" for them, they may clasp their loved one to their hearts again in that land where God shall wipe all tears from their eyes, and where sorrow and pain and death shall never come.

MILROY BEATS GREENSBURG

The Milroy high school basketball team redeemed itself for a defeat earlier in the season by defeating the Greensburg five last night, 37 to 27. Richey, Milroy center, was easily the star of the game, scoring 21 points from eight field goals and five foul goals out of seven chances. Another game will be played to decide the tie.

CITY HAS SKATING POND

Anderson Turns One of Parks to Use For Winter Sport

(By United Press.)

Anderson, Ind., Jan. 22.—Anderson probably is the only city in Indiana supporting a municipal ice skating pond. At an expense of \$1,000 the city has established an ice pond in one of its parks covering an area of three acres. Thousands of skaters have taken advantage of the opportunity presented them by the city and as a result there is a noticeable revival of the old time winter pastime.

RECALLS HIS PART IN TURBULENT TIME

W. A. Bodine of Morristown Member of Party That Arrested Murderer of Officer Stevens.

ALSO FOUND A DESERTER

W. A. Bodine of Morristown, in a letter to the Daily Republican, recalls his part in the turbulent times of the Civil war period in Rush county when the "Sons of Liberty" and the "Knights of the Golden Circle" thrived here. Mr. Bodine says: "I was working in a store in Rushville when two officers from Greensburg came to me one evening and asked me to go with them to Manilla to arrest the man that killed the enrolling officer, Stevens. Being a discharged officer, I went and drove the livery team. At Manilla we met Jess Jarret in the street. He furnished Isaac Hurst to go with us. Isaac showed us the house and we went in and arrested the murderer, handcuffed him, put the 'Johnnie' in a big wagon and drove to Hugh Gilmore's and arrested a deserter, then drove back to Rushville. The provost officers took the two arrested men to Greensburg."

Norwegian Vessel Sygna Rushes Back to Quarantine With Blaze Raging in Forward Hold.

BOUND FOR RUSSIAN PORT

(By United Press.)

New York, Jan. 22.—The Norwegian steamer, Sygna, reported to be carrying war munitions to the Russian port of Archangel, rushed back to quarantine at daybreak today with a fire raging in No. 1 hold forward. She sent out calls for aid.

Several fire boats from New York and Brooklyn went to quarantine and fought the blaze. No explanation of the origin of the blaze was obtainable at the offices of the agents for the steamer.

The Sygna was a 4,000-ton, vessel and sailed before noon yesterday, supposedly headed for Vladivostok, Russia, though quarantine officials reported she signaled she was enroute for Archangel.

Sent Free To Stammerers

THE causes of stammering are fully explained, beginning on page sixteen of this seventy-page book—which will be gladly sent to you without cost.

Every page in the book contains information of vital importance to those who stammer, or who have friends or relatives who are afflicted.

Stammering can be stopped—permanently. This fact is becoming generally known everywhere and whatever of public sympathy has existed heretofore for the stammerer, is gradually lessening—for people know generally that stammering is unnecessary—that it can be stopped if the stammerer wants it stopped. The public is beginning to regard the stammerer as one who would rather stammer than be freed from the affliction.

Men and women—boys and girls—are being freed from stammering day after day and week after week at the Bogue Institute for Stammerers. This Institute was founded fourteen years ago by Benjamin N. Bogue, who stammered for twenty years—and then freed himself. He is now president of the Institute.

A detailed explanation of the methods used at the Institute is given beginning on page thirty-one of this book. Beginning on page five there are eleven pages devoted to the experiences of Mr. Bogue as a stammerer, and throughout the seventy pages you will find numerous statements by former students of the Institute. Persons less than eight years of age, and those not of normal intelligence, are not accepted as students at the Institute—and this book tells why. It will also show how thoroughly the interests of all students are protected.

Learn why you stammer—and how stammering can be stopped. Read this book. Send your name and address to the Institute, using the coupon below, and the seventy-page book will be mailed to you without cost. Do it today.

Milroy Friday Night Had Visions
of More Burglaries

Milroy had a premature burglar scare Friday night. Since the wholesale raid on several places of business two weeks ago, Milroy people have been very suspicious and have been watching for further attempts of the sort. Last night a light was seen in the Big Four station by a Milroy business man. He organized a band of men and approached the depot, but learned that the Big Four agent had given a man, his wife and baby the privilege to spend the night in the station.

CORN SHOW BRINGS OUT MANY ENTRIES

Over 350 Ears of Corn Competing
and Many Others Are Entered
During the Afternoon.

ABOUT 500 EARS EXPECTED

Indications this afternoon were that close to five hundred ears of corn would be entered in the corn show for Rush county farmers at the sheriff's office in the court house. At a few minutes after one o'clock, there were three hundred and fifty ears in the contest and more was coming in all the time. R. G. Budd, who is in charge of the show, said it was one of the best he had ever seen.

Shortly after one o'clock, there were nineteen entries in the class for the best ten ears of yellow corn, seven entries in that for the best ten ears of white corn, fourteen entries in that for the best ear of yellow corn and eight for the best ear of white corn.

In addition to these classes, in which \$35 in cash and an equal amount in merchandise is offered, a grand prize of 500 pounds of corn fertilizer for the best ten ears of corn, either white or yellow, is offered by A. B. Norris.

SMALL FIRE AT KELLY HOME.

A defective flue at the home of Edward Kelley in West First street caused a small fire loss this morning at eleven o'clock. The flue had been boarded up on one side and these boards caught on fire. A bed, which was more valuable as a relic than anything else was practically ruined and some bed clothing burned. The fire was extinguished by a bucket brigade before the fire department arrived.

JANUARY IS A FICKLE MONTH

Records For 35 Years of County
Weather Observer Reveal Warm
Weather May be Expected

NO EXCEPTION TO RULE NOW

During January, 1906 There Was a
Mean Average Temperature For
Three Days of 57.5

Persons who thought this warm weather for this season of the year, need only to consult the records for the last thirty-five years of Elwood Kirkwood, of Maunzy, voluntary meteorological observer of the United States government. These records show that in January, 1914, there were three days when the mean average temperature was never below fifty-three degrees.

Rush county has enjoyed spring-like weather for several days this week, with maximum temperatures ranging around sixty degrees. But the prediction today is that fair and colder weather may be expected by tonight or Sunday.

January has its fickle moments, according to the records for the period. On January 27, 1914 the maximum temperature was 63 and the minimum 43, making a mean average of 53 for the 24 hours. On the following day the maximum was 66, the minimum 43 and the mean average 54.5. The next day, the 29th, the maximum was 68, the minimum 42 and the average 55.

The month of January, 1906, holds the record, however. On January 21 of that year the record of the period was attained when the temperature was 33.5 degrees above the daily normal for that day during the period and 46 degrees above the monthly normal. The mean for the three days, January 20, 21, and 22, 1906 was 57.5 degrees or 32.5 degrees above the normal for January in thirty-five years.

During January, 1914, the maximum temperature was 46 degrees above the monthly normal. The mean temperature for the three days mentioned was 54.8 degrees, which was 29.8 above the January normal. January 21, 1916, which was yesterday, did not do so bad because the maximum was 63 degrees and the minimum 42, making a mean average of 52.5.

But the record of 1906 has never been approached. Seldom does a January pass without some extremely warm weather. On January 22, 1887 the maximum was 60 degrees, the minimum 37 and the mean average 48.5.

Some other warm January days records gleaned from the weather observer's records as follows: the 11th, 1890, maximum, 52; mean, 58.5; 3rd, 1897, maximum, 60; minimum 51; mean, 55.5; 12th, 1898, maximum, 63; minimum, 41; mean, 52; 24th, 1900, maximum, 60; minimum, 34; mean, 47; 29th, 1903, maximum, 61; minimum, 45; mean, 53; 19th, 1907, maximum, 67; minimum, 42; mean, 54.5.

The records also show that much rainfall may be expected in January. January, 1890 was a very wet month. There was rain on seventeen days, during which time 8.05 inches fell, causing the fall to be 4.69 inches above the January normal for the period. There was rain on eighteen days of January, 1907 and a fall of 8.05 inches for the month. The largest daily rainfall for the period was during January, 1907, when 2.55 inches fell.

Body of Twenty-Fourth American
Murdered in Mexico in Two
Weeks is Recovered Today.

RANCHMAN SEEKS CATTLE

Companion of Victim Asserts Assassins Wore Carranza Uniforms
—Two Men Arrested.

(By United Press.)

El Paso, Texas, Jan. 22.—The body of the twenty-fourth American murdered in Mexico in the last two weeks was brought here today. It was the corpse of Bert L. Akers, a ranchman, who crossed the border into Mexico near Yaleta last night to catch some cattle, bandits rustled from his property.

Two Mexicans, who took part in the killing of Akers only seventeen miles south of El Paso, are under arrest in Juarez. They claimed self defense.

With Douglas Lawrence, another American, Akers reached the little village of Lorenzo, Mexico. Akers saw his cattle back of a Mexican house.

Several Mexicans, all armed with rifles, immediately opened fire on the Americans.

Akers was instantly killed, shot in the back. Lawrence, mounted, fled for the American border. His horse was nipped by bullets twice but continued.

On arriving in El Paso today Lawrence told the story to officials, insisting that several of the Mexicans wore Carranza uniforms.

Ahead of the protest formally lodged by American officials, Carranza officials obtained the prisoner's statement and assured the El Paso officials, if found guilty, the murderers would be punished.

Francisco Villa, with a band of 400 men, is encamped twelve miles north of Madero, according to official reports received today. Fear was felt for the safety of a large American Mormon colony near Casas Grandes.

Governor General of Chihuahua Explains How False Report of
Capture Started.

ANNOUNCEMENT PREMATURE

(By United Press.)

El Paso, Texas, Jan. 22.—Francisco Villa was reported surrounded by Carranzista troops in the mountains of Chihuahua today.

This report by General Cavases who commands the three columns hemming in the bandit's chief was made to General Herrera at Chihuahua resulted in the premature announcement that Villa was a prisoner.

Governor General Enriquez of Chihuahua, on official business in Juarez, gave this explanation of the reported capture while pointing out that the outlaw bandit probably could hold out in his mountain hiding place indefinitely.

Enriquez said that Villa even took a third wife and that his followers have women in their party.

FINAL NOTES ARE DRAFTED

(By United Press.)

Washington, Jan. 22.—The final of American controversies with both Austria and Germany over submarine warfare apparently was approaching today. The three principal incident growing out of the sinking of the liners Lusitania, Ancona and Persia were on the verge of final settlement.

From Berlin through United Press dispatches came the first authentic news that Germany's final note on the Lusitania case was being drafted.

From Vienna came word that Ambassador Penfield has been given a note assuring the United States that no Austrian submarine had sunk the Persia.

IMMENSE CROWD HEARS P. J. LYNCH

Republican Committeemen, Candidates and Workers Get Acquainted With Primary Law.

ABOUT AS CLEAR AS MUD NOW

The Republican precinct committeemen, candidates and party workers heard the primary law explained this afternoon by P. J. Lynch, district chairman. The meeting was held at Republican headquarters and was attended by a crowd that packed the hall to the door. Mr. Lynch admitted at the start of his address that he did not know very much about the law, just as the Democrats who passed it, and that the supreme court decision had made it as clear as mud.

The various phases were discussed, including the right of a voter to take part in the primary in case he had lived in the precinct only a short time. The position is taken that if a voter states he will be a resident of the precinct at the time of the general election he is entitled to take part in the primary.

DENNING APPOINTED.

At a meeting of the board of commissioners today Albert Denning was appointed ditch commissioner to succeed Rush G. Budd. The commissioners also approved the bonds of the assistant road superintendents.

ASSISTANTS TO GREEN NAMED

New County Highway Superintendent Announces Men Who Will
be His Helpers in Road Work

MILEAGE FOR EACH GIVEN

Supt. Green Will be at His Office in
Court House Every Saturday—
Road Mileage 297.58.

County Highway Superintendent Hal Green today announced the names of his assistants and at a meeting of the commissioners this afternoon the bonds of the men were approved. The new assistant road superintendents will start work Monday. The bonds of the assistants are \$1,000 and the auditor's office was kept busy this morning receiving the bonds. In every instance a personal bond was given.

It was originally planned to let the old road assistants serve until the meeting of the commissioners at the February term, but so many of these men wanted to be released that Mr. Green decided to make his appointments and start work. The appointments are as follows:

District No. 1.—Jacob Clifton, Union township, 17.56 miles.
District No. 2.—Linnea Hayes, Washington township, 23.5 miles.
District No. 3.—Harvey Newhouse, Center township, 22.25 miles.
District No. 4.—John Stofen, Center township, 23.99 miles.
District No. 5.—John Dire, Ripley township, 21.75 miles.
District No. 6.—Hal W. Green, Jackson township, 23.5 miles.
District No. 7.—Willard Tribby, Posey township, 20.81 miles.
District No. 8.—Charles Carney, Noble township, 24.93 miles.
District No. 9.—Jesse Havens, Rushville township, 21.25 miles.
District No. 10.—Arnold Mull, Walker township, 23.75 miles.
District No. 11.—Lloyd Wagoner, Orange township, 16.78 miles.
District No. 12.—Lon Kerriek, Rushville township, 31.49 miles.
District No. 13.—U. S. Maffett, township, 23.82 miles.

County Superintendent Green announced that he will be at his office in the court house every Saturday to transact business coming to his attention. The county has been divided into thirteen districts and Mr. Green will personally attend to one of these districts. The total mileage of the roads in the county is given at 297.58.

WHAT'S THE USE?

What's the use of advertising that we have the purest drugs? You know this—your doctor knows it—everybody knows no modern, honest conscientious druggist would buy less than the best drugs in the first place. ¶ What's the use in advertising that we deliver promptly. Try us once—any order, large or small—and see how quickly and willing we deliver your goods. ¶ As an up-to-date, modern, complete drug store, we could advertise in a more convincing way than half the drug stores of the state, but what's the use. Why not test us, test our quality, our methods, our service and know the satisfaction so many others enjoy. We're here, ready to serve, ready to give you the most personal attention, so that you will entertain friendliness for us and come again freely. No drug store in the country can or will serve you more to your satisfaction than we.

ADVICE ON ECONOMY

Cleveland, O., Jan. 22.—"If every family saved one match a day, the United States would be ahead \$500,000 a year," today said P. D. Conner, president of one of the biggest financial institutions here. Conner believes every housewife should be paid a weekly wage to prevent family squabbles; and that every wife should prevent food waste. He claims fortunes in food are thrown into garbage cans. The banker believes bills should be paid by check and a stipulated amount saved weekly.

NO DECISION YET IN DIVORCE CASE

Judge Hears Last Evidence in Divorce Suit of Della Cassidy Against Woodford Cassidy.

TAKES IT UNDER ADVISEMENT

Special Verdict of Six Names Drawn in Road Case of W. A. Alexander vs. W. F. Harton et al.

Judge Springer took Cassidy divorce suit under advisement at the conclusion of the testimony and argument this morning and indicated that he would make public his finding either Monday or Tuesday. The case was expected to be completed yesterday but took longer than was expected and as a result several witnesses were introduced this morning.

The case proved one of the hardest fought divorce actions tried here in several years, as the feeling on both sides was especially bitter. A large part of the evidence was of such a character as to be repulsive.

A motion was filed this morning in the criminal suit of the state against Charles and Harry Robbins to require the prosecuting attorney to file with the clerk of the court a list of all checks upon which the state will rely as showing the probable guilt of the defendant. The men are charged in a grand jury indictment with grand larceny and embezzlement. No action was taken on the motion.

A special venire of six names were drawn for jury service in the road case of William A. Alexander against William F. Harton, et al., which is set for trial next Thursday. The special venire is composed of the following men: D. C. Buell, Rushville; Thomas H. Lower, Rushville; Theodore Holden, Noble; L. H. Wilson, Noble; J. L. Hayes, Washington and Peter Krauss, Center township. The case involves a petition for a highway and was taken to the circuit court on an appeal from the commissioner's court.

Alberta M. Walker filed a motion for a change of venue in her replevin suit against Voorhees Cavitt, Sheriff of Rush county. The motion was granted but the county where the case will be tried has not been named.

TODAY'S HOOSIER ODDITY

Hartford City, Ind., Jan. 22.—If you have a pet cat, take warning. Mrs. Clem Blakely lost her pet in a rather peculiar way. In search of a good warm place to sleep one night, her cat crawled into the oven of the kitchen stove. Mrs. Blakely closed the door of the oven when she came down in the morning without seeing pussy inside and proceeded to build a hot fire. Investigation of a peculiar odor disclosed the remains of the cat in the oven.

DISAGREE OVER THE WALSH REPORT

Capital and Labor Fuss About Finding of Federal Commission of Industrial Relations.

ARGUE FOR AND AGAINST

(By United Press.)

Washington, Jan. 22.—Issue No. 1 on the program for congressional legislation of the American Federation of Labor and other labor interests, is a resolution for the printing of the reports and testimony of the Federal Commission on Industrial Relations. The report is not popular with some people. It points a picture of industrial exploitation and injustice to workers which many employers say isn't true. They say Chairman Frank P. Walsh used the \$450,000 appropriated for the securing of these facts, for prosecuting "the men who built up the country."

Labor declares the report furnishes the only fair record of the exploitation it has suffered. The report has been much sought. Thousands of letters and telegrams have reached congressmen asking for copies. The available supply was exhausted months ago.

WATSON SPEAKS AT EVANSVILLE

Republican Stage Rally When Republican Candidate For United States Senator Comes.

DENOUNCES WILSON POLICY

Evansville, Ind., Jan. 22.—James E. Watson, candidate for the Republican nomination for United States senator, at a rally held in a local theater last night engaged in a sweeping criticism of the administration policy in Europe and Mexico and declared "watchful waiting" not a policy, but the absence of policy. He laid particular stress on the maintenance of the rights of neutral commerce on the high seas. He declared for a protective tariff, a tariff commission and an American merchant marine.

Watson denied tonight a report reaching this city from Mt. Vernon, in which it was said Mr. Watson had promised L. B. Holleman the appointment as United States marshal in case Watson is elected to the United States Senate. Mr. Watson denied that he had made any promise of any kind to Holleman or had directly or indirectly promised the marshalship or any other position.

A LEAP YEAR CLUB

Cleveland, Jan. 22.—A 1916 Leap Year Club has been formed by eight pretty girls here, headed by Miss Blanche Taylor of Lakewood, a fashionable suburb. The avowed purpose of the club is for each member to propose to the man of her choice during the year, and not to accept any similar proposal when offered by a suitor. "I do not see anything unusual about a girl choosing her husband," Miss Taylor said. Miss Helen Mally, another member, said: "A woman could propose just as gracefully and sweetly as she could accept. I think she ought to if she really loves a man."

Make it Pay-up Week

There have been Mother's Day, Father's Day, Electricity Week, Dress-up Week, Clean-up Week, Second Cousins Day, and now the Columbus Republican has suggested Warm-up Week, but now it remains for a wholly new and heretofore unsuggested special occasion to bob up.

This time it is Pay-up Week. The Powers that be have decreed that it shall be celebrated the week of

February 21 to 26. The idea originated with the merchants' trade journal at Des Moines, Iowa, and has spread like wildfire to all parts of the country. It will probably be the most genuinely celebrated week of any yet started. Posters and general announcements of the plan have been sent broadcast and some of them have been received here.

The plan is have every man and every woman pay up what they owe during the week of February 21. If the debtor can not pay all, why then, a part of the bill will be acceptable.

There are plenty of people who could pay their debts if they just made up their minds to do so. They think of a little bill and another one there and a third one somewhere else. And then they believe that there is no real virtue in doing today what can be put off until tomorrow, little realizing that tomorrow never comes. The bills run on and they use their money for something else. Many times they never know that complete satisfaction that comes to a man who can look every other man in the face and say that he does not owe anybody a red cent.

So an effort is to be made throughout the country to have all bills paid during the time mentioned. If the debtor has been coming for a year or so without getting anything for his services, it will be a good time to pay him what is due. It doubtless will be a pleasant surprise for him. If there is a balance owing on the grocery bill, the meat bill, the coal bill, the dry goods bill, the shoe bill, the board bill or any other bill, the idea is to pay it then. Maybe the grocer owes the coal dealer and if you pay the grocer he can pay the coal dealer, and that will enable the coal dealer to pay some one else and if that somebody else owes you, maybe, he will pay you, and thus you will get your money back again.

Of course, it is not necessary to wait until February 21 to pay bills. There is no time like the present for such a duty as that. But if it is not possible now, those in charge of the movement hope that all people will bend every possible effort toward paying up during the time specified.

It is no surprise to learn that Senator Stone of Missouri, Chairman of the Senate Committee on Foreign Relations, counseled against the use of harsh language in the notes to Austria. "Gumshoe Bill," as he is known, familiarly if not affectionately, in his home state, has never been noted for aggressiveness. In the present instance four of his Democratic colleagues on the Committee stand with him in believing that the Wilson policy of harsh words—and nothing else—is a futile and foolish method to be applied to our foreign affairs.

The State Department explains that Col. House has gone to Europe to "give a personal touch to the relations between the State Department and its Ambassadors." This is the correct language, all right; but it is misapplied. The Colonel will give "a personal touch" to the Treasury, which is to pay his expenses.

The American Psychological Association has just held its annual session. It missed a great opportunity in not having President Wilson address the delegates on the condition of the national Treasury, which is, of course, purely psychological.

"Charity covers a multitude of poor people with our second hand and worn out garments," warbles a society dame of national reputation. Too bad it can not extend to covering the nakedness prevalent in many high society circles.

If Senator Weeks pushes through his bill for an army of a million men, with five acres of free land for each enlistment, we are ready to enlist in every recruiting office in the country. Some patriotism that!

Some newspapers have published the recipe from which President Wilson's birthday cake was made. It sounded good. But so far as 1916 is concerned we can say that Wilson's cake is dough.

"United States Prepared to Act to Stop Killings at Sea," reads a scare head in a daily paper. But who is going to do it, and how are we going to do it, and what are we going to do it with?

When a dashing young man begins

to tell her of his castles in Spain it generally ends in cooking three meals a day, scrubbing the kitchen floor and making over her last year's dresses.

Those Democrats who talk of "rewarding" Brand Whitlock's services at Brussels by naming him as Wilson's running mate for 1916 have a queer idea of what constitutes a reward.

Ever notice it, old top? Whenever a fellow sits down suddenly on a slippery piece of ice about the only one who doesn't laugh is the gent who does the cussing.

From the standpoint of posterity it is interesting to note that the new lady of the White House is a suffragette while the president is an anti. To be continued.

It is rumored that our confirmed old bachelors have formed a defensive alliance, and that the answer this year will be "too young to wed."

Our dimpling maidens who prance around with a black splotch sticking on their face should add another dab of mud in honor of Leap Year.

"I only play cards for fun," is the excuse he gives his wife. Of course. That's all the loser ever gets out of it.

Those golden locks Belinda wears will gag you just as quickly as any other hair when fished out of the soup.

Has "Watchful Waiting" Exhausted the Nation's Patience?

The temper of the American people which has been sorely tried by the continuous indignities and murders in Mexico has risen to white heat at the latest outrage resulting in the slaughter of nearly a score of peaceful and unarmed American citizens by Mexican bandits at Santa Ysabel on January 10th.

In the United States Senate stormy speeches attacking the President's policy in Mexico have been uttered by Senators who have not heretofore been noted for belligerent utterances.

Newspapers throughout the country, both Republican and Democratic, have made an emphatic demand for the safety of Americans in Mexico, even at the price of armed intervention.

What Do the People Want?

In THE LITERARY DIGEST for January 22d the leading article gives a complete survey of the Mexican situation and presents the gist of public opinion from every angle as printed in the newspaper press. At no time since the troubles in Mexico began has the outlook, as it concerns the American people, assumed so grave a character as at the present time. Thoughtful Americans, whatever their politics, will read this number of "The Digest" carefully, because from it they will secure an unbiased view of public feeling.

You Americans who know how to weigh the merits of a case and pass intelligent judgment—THE LITERARY DIGEST is for you. Here is a magazine that recognizes your ability to decide for yourself—whose editors offer you no biased opinions of their own—a source of all-sided information which will enable you to use your own power of decision. Every week the Press of the world is scoured for all the relating factors and opinions so that The Digest can present every subject from every angle. There is no personal "Pro" sentiment in its pages. The man will be disappointed who looks for partizanship slant in its editorial policy. This magazine is for him who asks for the facts and then decides for himself. Buy The Digest this week and see.

HOOSIER HISTORY

(Prepared for the United Press by the Centennial Department of the Indiana Historical Commission.)

PROMPT RETURNS

"Reports of the proceedings at the night meetings of the conspirators were often in Morton's hand on the morning of the following day. On one occasion the Governor was visited at the State House by a judge of Indianapolis who had repeatedly assured him that no such association as the Sons of Liberty existed. He now said, 'No one would insult me by asking me to belong to it, but I could not help knowing that it existed.' Morton opened a drawer of his desk, took out a file of papers and proceeded to read a stenographer's report of a meeting of the order held the evening before, at which a speech had been delivered by his visitor in which the Governor was bitterly denounced. The old man sank into a chair and became pale as death. Without a word, he tottered, rather than walked, out of the room."—Foulke.

The Chicago Coup D'Etat

Though the arch conspirators had acquiesced in giving up the uprising set for August 16, to them it was merely a postponement. One of them met Confederate officers at the State House in Indianapolis. The scene of projected activities had been shifted to Chicago when the uprising was to take place on August 29. The confederate officers were on their way there to take charge of the prisoners to be released on that occasion.

Demountable Rims

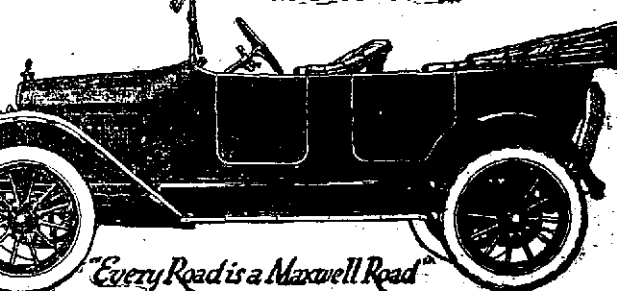

The 1916 Maxwell is equipped with demountable rims; and has the same size tire on all four wheels. Two vitally important features.

To replace a tire on the road it is only necessary to loosen five bolts; slip off the flat tire; slip on spare rim and tire; tighten three bolts, and proceed.

We are waiting to take you for a test ride in the car that has broken all low "First-Cost" records, and is breaking all low "After-Cost" records.

I, Donald L. Mull, the trustee of Walker township, Rush county, Indiana, do solemnly swear (or affirm) that the preceding report of receipts, disbursements, balances and service account is true and correct, as I verily believe; and I further declare that the sums with which I am charged in this report are all of the sums received by me, and that the various items of expenditures credited have been fully paid in the sums stated, and without express or implied agreement that any portion thereof shall be retained by or repaid to me or any other person. And I further declare, and swear, that I have received no money, nor article of value, in consideration of any contract made by me as trustee of this township.

DONALD L. MULL,
Trustee of Walker Township.
This report was received, accepted and approved by the Advisory Board of this township, at their annual meeting this 3rd day of January 1916.

First Dose Ends Indigestion, Heartburn, or Gas on Stomach

First Dose Ends Indigestion, Heartburn, or Gas on Stomach

The question as to how long you are going to continue a sufferer from indigestion, dyspepsia or out-of-order stomach is merely a matter of how soon you begin taking Tonaline Tabs.

People with weak stomachs should take Tonaline Tablets, occasionally, and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour risings, gas on stomach, or belching of undigested food, headaches, dizziness or sick stomach; and besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour, out-of-order stomach and dyspepsia are generally relieved five minutes after taking Tonaline Tablets.

Go to your druggist and get a \$1. box of Tonaline Tablets and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know there are not going to be any more bad nights and miserable days for you. Tonaline tabs freshen you and make you feel like life is worth living. For sale by Hargrove and Mullin.

Society and Club News

Edited by MISS FRANCES FRAZEE

Any items concerning your clubs, church organizations, entertainments, your friends or yourself, which you may send in, will be appreciated by the editor and readers of this column. Either mail or phone them to 1111, 3 rings, as soon as possible after their occurrence.

The members of the Tri Kappa sorority will be entertained on Monday evening by Mrs. Walter Capp.

The Elite Club will be entertained on Monday by Mrs. Claude Cambern at her home in North Main street.

A pleasant card series was enjoyed at the home of Mrs. J. C. Sexton this afternoon when she entertained the members of the Saturday Afternoon Club at her home in North Main street.

Mr. and Mrs. Fred Lightfoot will entertain at dinner Sunday at their home near Raleigh, Mr. and Mrs. William Mathew, Mr. and Mrs. C. L. Smullen and Mr. and Mrs. Edson Aiken.

A treat is in store for the Monday Circle on Monday, when Mrs. Demarcus Brown will give her lecture on "A Pilgrimage to Athens." The meeting will be with Mrs. Ralph Payne at her home in North Harrison street.

FAMILY DINNER.

A delightful family dinner was the one given by Mr. and Mrs. Ned Abercrombie at their beautiful home in North Main street last evening. The elaborate three course dinner was beautifully appointed. A pleasant social evening followed the dinner, which was enjoyed by Mr. and Mrs. Gay Abercrombie and daughter, Laurett, Mr. and Mrs. John Abercrombie, Theodore Abercrombie and Mrs. Minnie Abercrombie.

CATHOLIC AID SOCIETY.

With Mrs. Robert Williamson and Mrs. Osborne as hostesses, the Ladies Aid Society of the Catholic church had a meeting at the home of the former on Thursday afternoon. The meeting was one of unusual interest and profit. Following an important business session, the ladies enjoyed a social hour.

There will be a Farmers' Institute at Falmouth Monday, Fred Knotts is president of the association.

INFORMAL PARTY.

Mr. and Mrs. Charles Winship entertained several of their friends with a pleasant and informal party at their hospitable home near the city Thursday evening. Games and music helped to make the evening a social and enjoyable one, at the close of which delightful refreshments were served by the host and hostess. Those enjoying the hospitality of Mr. and Mrs. Winship were Mr. and Mrs. Will Trennepohl, Mr. and Mrs. Bert Davidson, Mr. and Mrs. Will Havens, Mr. and Mrs. George Camp, and Mrs. Ethel Harrell.

AUCTION BRIDGE.

The usual game of Bridge was exceptionally interesting to the lively players of the Auction Bridge Club when they were so charmingly entertained by Mrs. Roy Harold and Mrs. Francis Moor, at the home of the former yesterday afternoon. So ciability never lagged during the pleasant hours of the afternoon. A delicious luncheon was served at the card tables, following the card series, which brought to a close one of the merriest club meetings of the year. Every member was present, two tables of players participating.

K. OF C. DANCE.

Invitations were received today for the annual Knights of Columbus dance which will be given in the Phi Delta Theta hall on Friday evening, January 28. It promises to be the best of the annuals ever held, this being the thirtieth. The members of the local lodge are working hard on the affair and from all indications, a large crowd will be present to appreciate their efforts. Guests from Richmond, Greensburg, Con-

nersville, Brookville, and Shelbyville are expected. Mitchell's orchestra, with two cabaret singers, will furnish the music.

JUNIOR LEAGUE

A Junior League was organized in the Methodist church at a meeting Thursday afternoon. The regular meetings will be held weekly on Thursday afternoon at four o'clock, when all children in the church under the age of sixteen are invited and urged to attend. With Mrs. Esther McCloud as superintendent, the following officers were elected; president, Mildred Lock; secretary, George Bennett; treasurer, Forrest Wolverton; 1st. vice-president, Leona Rankin; 2nd. vice-president, Josephine Scholl; 3rd. vice-president, Jean Sparks; and 4th. vice-president, Ray Sample.

THIMBLE CLUB.

A pleasant afternoon was spent by the members of the Thimble Club when they were delightfully entertained by Mrs. Harrie Jones at her home in North Harrison street yesterday. The ladies, with their needlework and chatting, enjoyed the hours that were pleasantly whiled away. Near the close of the afternoon, they were invited to the dining room where the table was made beautiful with a color scheme of red and white. The bouquet of red carnations was tastefully arranged with graceful greenery. The last course of the delectable lunch also carried out the color scheme with the luscious fresh strawberries and ice-cream.

PENNY SUPPER.

Wise heads, generous hearts, and culinary art, were all displayed at the Penny Supper given by the Loy-al Daughters of the Christian church last evening. When a delicious chicken dinner with all the "trimmings" can be bought for twenty-one or seventeen cents, these qualities are necessarily exercised. Over two hundred people enjoyed supper last evening, which was inexhaustive in its menu and quantity, ad despite the fact that everyone received a bargain in their supper, fifty-three dollars was the sum realized as a result of the affair. A pleasant social time was also enjoyed, several congenial crowds having formed parties to attend.

EMBROIDERY CLUB.

Mrs. M. B. Wright was the gracious hostess to the members of the Friday Afternoon Embroidery Club, when they were pleasantly entertained at her home in Glenwood yesterday afternoon. Nearly all the members were present to enjoy the delightfully informal afternoon, the diversions of which were needlework and interesting chat. After a few hours were merrily whiled away, the hostess served a dainty luncheon, including sandwiches, saratoga chips, pickles and coffee.

TRI KAPPA.

The progressive party which the members of the Tri Kappa enjoyed last evening was as enjoyable as it was original. After a short social meeting at the home of Mrs. Earl Moore, in North Harrison street, the members went in a body to the Penny Supper, at the Christian church, where the congenial crowd sat together, to partake of the supper. A theatre party followed this and the closing feature of the round of pleasure was a visit to the confectionary. The members of the sorority who took part were the Misses Hannah Morris, Chlorine Amos, Esther and Helen Black, Edith Buell, Nell Baldwin, and Mrs. Will Norris, Mrs. Jack Knecht, Mrs. Earl Moore, Mrs. C. J. Tucker, and Mrs. Hubert Innis.

FLATROCK COUNTRY CLUB.

The Flatrock Country Club had an unusually pleasant meeting with Mr. and Mrs. Noah Tryon on Thursday evening. The pitch-in supper was delicious, each guest having added his or her help, in the preparation. Several games of cards, and musical numbers furnished by the guests made the hours following the supper, lively ones. Those participating in this delightful evening were Mr. and Mrs. Harvey Brown, Mr. and Mrs. Birney-Piper and daughter, Pauline, the Misses Georgia Raw-

lings, Grace Kiplinger, Clara Archey, Clystie Butterfield, of Ross, Ohio, and Virgil Maffett and Le-land Butterfield of Ross, Ohio.

The above were guests of the club whose members are Mr. and Mrs. Wilbur Brown and daughter, Mr. and Mrs. Roth and son Frank, Mr. and Mrs. Chester Hall and son, Wayne, Mrs. Jane Biggs of Anderson, Mr. and Mrs. John Benning Mr. and Mrs. Wilbur Warner and children, Howard and Gladys, Mr. and Mrs. Alva Webb Mrs. Hattie Emmons and son Harold, and Miss Goldie Roam. Mr. and Mrs. Earl Harecourt, new members of the club, were taken in at the meeting Thursday evening.

NEW YORK FASHION NOTES

By MARGARET MASON (Written for United Press.)

The owner of the Fashion Shop Is very low with gripe. The cashier has bronchitis. The buyer has a nip Of plain old influenza; while The salesgirl has the pip; The model's mighty busy with A very active nose And yet the window's full of hats Of straw, and Springtime clothes.

New York, Jan. 21.—You stand with your feet in the slush and snow and gaze at the flowery array of straw bonnets and cotton frocks in the gayly trimmed shop windows. You can almost smell the violets and the budding leaves and between sneezes you murmur hoarsely: "Spring is almost here." But alas! Spring is far distant and the misleading shop windows only show the spirit of preparedness on the part of the shop keepers. It is true that you glimpse a straw hat occasionally on an early head, but one straw doesn't make a springtime any more than one swallow makes a drink.

The recent motor show called out many spring modes. One stunning model was done as to body, in a smart serge suit of castor hue. A distinctly new top of absinthe green bamboo straw graced her head in form of a cloche turban appetizingly encircled with one apple, one lemon, one orange and a bunch of pearl grapes. Castor, by the way, is the newest color for spring. It vies with the suits of white serge for Southern wear and tops the new spring boots in chic rivalry with white. Pink and blue in combination is another favored spring color scheme that has crept from under surface popularity as lingerie tints, to surface wear in frocks and hats. Lovely muslins and cotton materials for one piece frocks are barred in pink or blue and sprigged in either forget-me-nots or rosebuds, distractingly. Gather ye roses while ye may and tuck 'em and ruffle 'em and smock 'em too and the result will be a duck of a dress, as quaint as an old fashioned picture. For we are still to be old fashioned this spring to be new fashioned, and the new spring silks as well as the cottons are quaintly colored and patterned in mid-Victorian manner. The spring hats continue to climb skyward even as their winter kin and high crowns and lofty arrangements of wings, bows and flowers distinguish them. Taffeta is a close rival of straw as a hat material and quaint little bonnet shaped or cloche hats of taffeta are trimmed in old fashioned ruffles of the same. Taffeta hats faced in straw and straw hats faced in taffeta adds variety; and two colored straws woven in check design in plain sailors or sung turban shapes are beginning a checkered career in these bleak months of wind and snow on which not even a checked straw hat can but a check.

CHAPTER WORK.

Rush Chapter, number 24, R. A. M. will have work in the P. M. and M. E. M. degrees Monday evening, beginning at 7.30. All companions are requested to be present.

MANY CANDIDATES

Anderson, Ind., Jan. 22.—Twenty aspirants for county offices have filed their notices with the county clerk by republicans and democrats. There will be a warm fight at the primary March 7. There is a noticeable absence of progressive aspirants up to date, which is taken to mean that this party will have no ticket in the field this year in Madison county.

TREASURER M'ADOO ASKS FOR \$20,000

Wants to Investigate Raw Materials Grown in United States For Coloring Purposes.

TO HELP LOCAL DYE USERS

(By United Press.)

Washington, Jan. 22.—For investigation and experiment in the utilization, for coloring purposes, of raw materials grown or produced in the United States, Congress has been asked by Secretary of the Treasury McAdoo to appropriate \$20,000. It is believed this amount expended by the Bureau of Chemistry will result in discoveries important to American dye users.

Investigations by the bureau will be continued during 1916. Among these are experiments relating to the application of chemistry to agriculture; investigations of the character of tests applied to American food products in foreign countries; investigations of present usage and best methods of preparing poultry and eggs for market; investigations of handling of fish and shell fish; development of new sources of food supply; investigations of the action of food and drug products on the human organism and the putting into effect of provisions of the pure food and drug act. The general expenses of the bureau are estimated at \$832,210 for 1917.

Those U-boats might well be called Do-boats, for they do about everything they run up against.

UP-TO-NOW IN DESIGN Designs as shown by some firms are more or less freakish or fadish to attract the attention of the prospective customers with scarcely a thought of their wearing appearance or correctness in proportion. But then they are merely on paper and represent but a small loss if they don't take. We have faith in our ability as rational designers and as proof we show at our works a most complete selection of ready to erect monuments designed by our nationally recognized designer. Mr. A. H. QUAKERS TOO FAST FOR RUSHVILLE LADS

Whirlwind Attack in Last Half of Basketball Game at Richmond Sweeps Locals off Feet.

FIRST HALF IS CLOSE ONE

After playing Richmond to a standstill in the first half, the Rushville team did not have the endurance to keep up the pace, and as a result lost the game played last night on the Richmond floor by a score of 51 to 22. Rushville started out like winners and gained an early lead by playing the Richmond team off its feet. Towards the close of the first half Richmond came to life and realized that there was a basketball game on. The half ended 26 to 15 in favor of Richmond.

The whirlwind attack of Richmond in the last half soon wore the local team down and then the Quakers proceeded to run up the score. The work of the Rushville guards was exceedingly good while Stoops made sixteen of the Rushville points. The summary and lineups:

Richmond (51)	Rushville (22)
Brown, Jessup	F. Stoops
Porter	F. Caron
Parker, Bollans	C. Martin
Pitts	G. Frazier
Meranda	G. Reed, Dye

Field goals—Stoops, 6; Caron, 1; Martin, 2; Brown, 6; Porter, 8; Parker, 3; Pitts, 6.

Foul goals—Stoops, 4; Brown, 1; Parker, 4.

Referee—Harrington.

LACK OF SNOW MAY SPOIL TOURNAMENT

Outlook For Ski Enthusiasts Not Bright as Weather Has Not Been Very Favorable

SCHEDULED FOR TOMORROW

(By United Press.) Cary, Ill., Jan. 22.—The international ski tournament is scheduled for Cary tomorrow. The one thing that might spoil the tournament is a lack of snow, so feared the ski enthusiasts.

On account of lack of snow ski stars in this section of the middle west have not been given an opportunity for much practice.

Michael L. E. Johnson, secretary of the Norge Ski Club of Chicago, has not let the possibilities of "no snow" prevent him from continuing in his efforts to make the meet a winner.

For the benefit of the local sport enthusiasts who enjoy spectacular and sensational events, Jensen has obtained the services of some of the most daring jumpers in America. Among these are Ragnar Omtvedt and Anders Haugan. Omtvedt recently made a daring jump at a meet at Ironwood, Mich., a leap that has never been equaled by any jumper in the country. But since the Michigan affair was not a championship meet, Haugan, the national champion, holds the title. Jensen promised local riders a thrill when he stages his three men from Norway. They arrived in America six weeks ago; previous to that time they practiced in the mountains of their native country.

MORE MONEY FOR HIS FRIENDS.

Walter E. Smith has received another "shipment" of Villa money from Mexico and is passing it out to his friends. He obtained another \$1,000 worth of the money and the way he is passing it out would make Carnegie sick with envy. The money, while worthless is of particular interest at this time because Villa is being hunted in connection with the Santa Ysabel massacre.

Card of Thanks.

We desire to thank our friends and neighbors for their kindness shown us during the sickness and the death of our son, Clarence Russell Smith.

MR. AND MRS. ROSS SMITH.

CHICAGO AUTO SHOW IS OPENED

Milady's 1916 Auto Frocks Are to be Trimmed in Last Years Trimmings Because of War

SHORTAGE OF MATERIALS

Cars to be More Luxurious And Less Gaudy, Declare Manufacturers Also Simple Lines

(By United Press.) Chicago, Jan. 22.—Nineteen sixteen automobiles and milady's 1916 auto frocks are to be trimmed in last year's trimmings. Driving costumes need not be altered one whit, said representatives of more than one hundred makes of cars at Chicago Automobile show which started today at the Coliseum. A change in upholstery this season would make that part of the car cost from 150 to 500 per cent more than a year ago—due to the war, they said. Manufacturers therefore are using trimmings ordered a year ago and milady need not change her auto habit unless she so elects.

In women's cars tan, white and gray upholstery will predominate. In the heavier cars the usual black and buff trimmings will be most in evidence. The keynote in automobile making this season, say manufacturers, is simplicity and refinement. Cars are going to be more luxurious and less gaudy. "We had a great quantity of silver trimmings ordered for our electrics, and until our woman decorator came along and told us it was bad taste we thought we had something pretty nice," admitted a prominent Chicago auto maker today. "These silver trimmings went to the scrap heap. We have built our car along lines of simplicity and have done away with all gaudy trimmings."

TO RESTORE PALESTINE

Jews Gather in Chicago to Discuss Plans

(By United Press.) Chicago, Jan. 22.—A thousand delegates from Jewish organizations throughout America are to gather in Chicago tomorrow to promote the Jewish plans for the development of Palestine and particularly, Jerusalem. They come to plan for an international congress of their race, which is expected to plan the restoration of Palestine to the Jews. Hundreds of thousands of dollars already have been pledged toward this and much already has been accomplished. Louis D. Brandeis, Boston lawyer, who has been prominent among the Zionists, declared that the American Congress of Jews is not indulging in an idle dream. "It is more than a possibility," he said.

MANILLA BROKE EVEN.

The Manilla basketball team split even last night, the Independents winning from the Fairview Independents, 49 and 24 and the high school team losing to the Falmouth high school 36 to 10. The Independent game is said to have been one of the best played this season at Manilla. The game was closer than the score would indicate. The Manilla high school team was handicapped in that only one of the regular players was able to be in the game.

SIX-MONTHS-OLD CHILD DIES.

Mildred Jeanette, the six-months old daughter of Mr. and Mrs. George Adams, colored, died Friday afternoon at their home in North Sexton street, following a short illness from a complication of diseases. The child was apparently better yesterday morning and a sudden change for the worse came about two o'clock. The funeral services will be conducted Sunday morning at ten o'clock at the late residence and burial will take place in East Hill cemetery.

SHORT COURSE READY TO OPEN

Continued from Page 1. been in progress since Thursday morning. Reports from Liberty say that good crowds were in attendance.

Season tickets selling at fifty cents each will admit the holder to any sectional meeting or any night meeting. Tickets are being sold by a vice-president in each township and at the drug stores and banks in Rushville.

The Purdue extension department ships a car load of prize stock here for the stock judging contests and dairy lectures, all of which will be held at the Carr barn in South Main streets. Raised seats have been erected in the Carr barn for the convenience of those who expect to take part in the stock judging contests.

The short course will close with a banquet in the Graham Annex school building gymnasium at six o'clock Wednesday evening. Miss Kate Dennis' domestic science class girls of the public school will serve the banquet and a program of music and speeches is being arranged.

In Loving Memory of Clarence Russell Smith.

Once more has the insatiate reaper garnered a sweet human blossom from a happy home. Another jewel has been withdrawn from its earthly treasure of love, another "low green tent whose curtains never outward swing" has been made ready for its occupant; another childish form has been draped and straightened for its final dreamless sleep: the laughing voice is stilled; the busy hands are folded; the sparkling eyes are closed; the loving little heart has ceased its pulsations, and the pure spirit has returned to God who gave it and nothing remains to those who loved him here but a precious memory of one not lost but gone before.

Clarence Russell Smith was born near New Salem, in Richland township, Rush county, Indiana, December 30, 1903. Fell asleep, safely sheltered in the Everlasting Arms of Him who said, "Suffer the children to come unto me, and forbid them not, for of such is the Kingdom of heaven," January 8, 1916, aged 12 years, 9 days.

He was the only son of Ross and Jessie McKay Smith and was one of a family of three children.

During his entire life his health was delicate, and many, many days his body was racked with pain, and his patient endurance of his suffering endeared him all the more to his earthly loved ones. He possessed a most lovable and affectionate disposition, so that every acquaintance was a friend. He often said he would be so glad to go and live with God in heaven and meet dear Grandma McKay whom he so dearly loved, and who departed this life three months ago.

Those who survive and mourn his loss today are his father and mother, two sisters, Ursula and Olive, grandparents, uncles and aunts, and dear little cousins whom it was always his joy to greet.

All earthly consolations fail in such times of heartache, and bereavement, but may they who mourn the loss of this dear little child turn to Him, who "healeth all our sorrows," and who alone can comfort in hours of spiritual anguish, and may they realize that their loss is his infinite gain, and mourn not as those who have no hope, believing that sometime when life's "sunset gates unbar" for them, they may clasp their loved one to their hearts again in that land where God shall wipe all tears from their eyes, and where sorrow and pain and death shall never come.

MILROY BEATS GREENSBURG

The Milroy high school basketball team redeemed itself for a defeat earlier in the season by defeating the Greensburg five last night, 37 to 27. Richey, Milroy center, was easily the star of the game, scoring 21 points from eight field goals and five foul goals out of seven chances. Another game will be played to decide the tie.

CITY HAS SKATING POND

Anderson Turns One of Parks to Use For Winter Sport

(By United Press.) Anderson, Ind., Jan. 22.—Anderson probably is the only city in Indiana supporting a municipal ice skating pond. At an expense of \$1,000 the city has established an ice pond in one of its parks covering an area of three acres. Thousands of skaters have taken advantage of the opportunity presented them by the city and as a result there is a noticeable revival of the old time winter pastime.

RECALLS HIS PART IN TURBULENT TIME

W. A. Bodine of Morristown Member of Party That Arrested Murderer of Officer Stevens.

ALSO FOUND A DESERTER

W. A. Bodine of Morristown, in a letter to the Daily Republican, recalls his part in the turbulent times of the Civil war period in Rush county when the "Sons of Liberty" and the "Knights of the Golden Circle" thrived here. Mr. Bodine says: "I was working in a store in Rushville when two officers from Greensburg came to me one evening and asked me to go with them to Manilla to arrest the man that killed the enrolling officer, Stevens. Being a discharged officer, I went and drove the livery team. At Manilla we met Jess Jarret in the street. He furnished Isaac Hurst to go with us. Isaac showed us the house and we went in and arrested the murderer, handcuffed him, put the 'Johnnie' in a big wagon and drove to Hugh Gilmore's and arrested a deserter, then drove back to Rushville. The provost officers took the two arrested men to Greensburg."

WAR MUNITIONS VESSEL FIRED

Norwegian Vessel Sygna Rushes Back to Quarantine With Blaze Raging in Forward Hold.

BOUND FOR RUSSIAN PORT

(By United Press.) New York, Jan. 22.—The Norwegian steamer, Sygna, reported to be carrying war munitions to the Russian port of Archangel, rushed back to quarantine at daybreak today with a fire raging in No. 1 hold forward. She sent out calls for aid.

Several fire boats from New York and Brooklyn went to quarantine and fought the blaze. No explanation of the origin of the blaze was obtainable at the offices of the agents for the steamer.

The Sygna was a 4,000-ton, vessel and sailed before noon yesterday, supposedly headed for Vladivostok, Russia, though quarantine officials reported she signaled she was enroute for Archangel.

E. H. WOLCOTT WITHDRAWS

G. O. P. Candidate For Secretary of State Gives Business Reasons.

(By United Press.) Marion, Ind., Jan. 22.—Eben H. Wolcott, state tax commissioner, today announced through the Marion Chronicle his withdrawal as a candidate for the Republican nomination as secretary of state. Mr. Wolcott gave business reasons. He recently was elected vice-president and director of the State Savings & Trust company in Indianapolis and his duties there and in his present state office will take all of his time.

OLDEST INMATE EXPIRES

Mrs. Mary Larkin Dies at County Asylum of la Grippe

Mrs. Mary Larkin, 94 years old, oldest inmate at the county asylum, died last night at 8:15 o'clock after a short illness from la grippe. Mrs. Larkin had been in ill health for many months due to her advanced age, but was taken seriously ill about one week ago. Mrs. Larkin's death is the third at the county farm within the past week. Fred and Mart Clevenger of this city are nephews of the late Mrs. Larkin. The funeral services were conducted this afternoon at the asylum and burial took place in the Upper cemetery.

This Book tells of Stammering and How to Stop It

Sent Free To Stammerers

THE causes of stammering are fully explained, beginning on page sixteen of this seventy-page book—which will be gladly sent to you without cost.

Every page in the book contains information of vital importance to those who stammer, or who have friends or relatives who are afflicted.

Stammering can be stopped—permanently. This fact is becoming generally known everywhere and whatever of public sympathy has existed heretofore for the stammerer, is gradually lessening—for people know generally that stammering is unnecessary—that it can be stopped if the stammerer wants it stopped. The public is beginning to regard the stammerer as one who would rather stammer than be freed from the affliction.

Men and women—boys and girls—are being freed from stammering day after day and week after week at the Bogue Institute for Stammerers. This Institute was founded fourteen years ago by Benjamin N. Bogue, who stammered for twenty years—and then freed himself. He is now president of the Institute.

A detailed explanation of the methods used at the Institute is given beginning on page thirty-one of this book. Beginning on page five there are eleven pages devoted to the experiences of Mr. Bogue as a stammerer, and throughout the seventy pages you will find numerous statements by former students of the Institute. Persons less than eight years of age, and those not of normal intelligence, are not accepted as students at the Institute—and this book tells why. It will also show how thoroughly the interests of all students are protected.

Learn why you stammer—and how stammering can be stopped. Read this book. Send your name and address to the Institute, using the coupon below, and the seventy-page book will be mailed to you without cost. Do it today.
